June 20th Scale Boat Regatta

The Scale Division decided to revive its Scale Regatta this past weekend for the first time in 15 years and what a success it was!!!

The crowd was great and the variety of boats was something to see. The craftsmanship was just amazing. The obstacle course challenged the boaters and entertained everyone. Hopefully this will become an annual or at least semi-annual event. There are more pictures on the Argonaut's website, so go check it out. Much thanks to many, but for sure David Alvarez, Jeff Sparkworthy and Mark Weber made this great event happen.

Race Week is Coming!!

There is only one more Points Race between now and Race Week, July 11th. So come on out and practice. We certainly want the club to have a good showing from our members in the event. The Race Week committee is still working on details. This effort is our showcase event and will take a village to pull it off. Glenda has been working hard to sign up volunteers, so please look at your calendars and plan to come help out, as well as race. There will be a free lunch each day for the volunteers.

Kim Robbins reports on the pond sand bar: **We got it... we think.** The beach was scraped and raked by the city, and the sand bar lowered a couple of feet by club members. Let's see, and I'm going to just use first names; Lon who brought coffee and doughnuts, Bob, Bart, Dennis, Dick, Don, and Mark who took the doughnuts I wanted. Tom helped too, but didn't have any donuts...honest. We all owe them a vote of thanks.
